Section 1. The Company has presented an application in a form acceptable to the Authority. Based upon the representations made by the Company to the Authority in the Company's application, the Authority hereby finds and determines that:

(A) By virtue of the Act, the Authority has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(B) The Authority has the authority to take the actions contemplated herein under the Act; and

(C) The action to be taken by the Authority will further the purposes of the Authority under the Act by increasing employment opportunities in the City of Auburn, preventing economic deterioration and otherwise furthering the purposes of the Authority as set forth in the Act; and

(E) The Project is a retail project described in the second paragraph of Section 2306 of the Act and is located in a "Highly Distressed Area" within the meaning of Section 2302(16) of the Act.
